# Learning in the New Decade

## PARENT & community PRESENTATION

Sunday, February 7, 2009

Mark Isfeld Secondary Gym

(1551 Lerwick Road, Courtenay, BC)

7:00 PM to 9:00 PM

**Keynote Speaker: Susan Close**

**SMARTER LEARNING:** powerful ways to fuel thinking and ignite brainpower... at any age

In this evening session Susan Close will show easy ways to stimulate brainpower -- ways that lead to smarter learning... at any age. Susan has an extensive background in brain research and has led action research projects across the province for many years. The techniques she will show are simple, fun and free. Please bring a family picture with you. One of the tools she will use will involve talking about an important picture. Participants will leave knowing a host of powerful ways to stimulate thinking and learning with people in their family and friendship circles.

### FOOD HAMPER

This presentation is FREE to attend but we ask that you bring a non perishable food item or small donation for the Food Bank if it is within your means. Thank you.
